Hello my name is _____ and I will be your meet referee this weekend. Thank you all for being here.

The meet will be run in (traditional, modified traditional, capital cup) format.

Rotations will be (continuous, called).

The head table is located _____. We will sign scores at _____.
The Meet Director is _____.
Restrooms are located _____.

March-in for the first session is _____. All other march-in times are listed on the assignment sheet. Reminder that all break time is paid so judges may not leave the venue. Please let your chief judge know if you need to use the restroom. Please stay at your event until the last gymnast competes for the session. Meals will be provided and will be located _____.

All Inquiries will come to the Meet Referee first and then I will get them to the panel in question. The inquiry forms are located _____. Video reviews may now be used at all meets. "A Meet Referee may watch a video (if available) prior to the submission of an inquiry to determine if that inquiry should move forward." (Video Review information begins on page 54 in the R and P)

Please be diligent and conference if you are out of range. You may need to stand up to discuss the routine so it doesn't appear as though you are just chatting. They are paying for 2 opinions and both of your opinions count. (Check for missing value parts, did you give or not give connections, did you give bonus, review composition.)

All electronic devices are to be in airplane mode and only used for digital judging and for references such as the digital COP and R & P.

Review new rule changes / procedures / new skills.

Reminder to Chief Judges:

1. Go over timing procedures with your volunteers. Please note that sometimes host club cheat sheets are wrong, the chief judge should make sure they review all procedures even if the volunteer insists they know what they are doing. Look over the sheets provided and make sure the volunteers know what is expected of them in a kind and encouraging way.
2. Discuss your event with your panel judge. Are there any updates, or unusual skills that you have seen recently? If you are on bars, discuss the different angle requirements each session or possibly each rotation if multi level session.
3. Remember that incorrect attire receives a warning at the first event. The Chief Judge must give the warning and then pass that warning onto the Meet Referee so that the Meet Ref can let the next event know. If the issue is resolved or if it is not, the next event CJ would let the Meet Referee know so that they can pass that information onto the next set of judges. If it is not resolved, the second event judges take the -.2 deduction. This deduction applies to both Dev and Xcel. Please refer to your code of points.

Everyone please sign the sanction form and turn in your pay voucher. Fill out a W-9 if requested.
Base Score if needed.
