 - No testing will occur from January 1, 2026 - Aug 1, 2026 as USAG is prepping for rule changes.
 - If testing at the National level for the first time, it must be in-person for both parts of the test.

Recruitment Stipend

- Eligibility: Current Illinois NAWGJ members who recruit new judges.
- Requirements: The new judge must purchase all necessary memberships and complete required classes (SafeSport, safety certification, background check, etc.).
- Amount: \$50 stipend once the new judge is ready for assignment.

Retention Stipend

- Eligibility: Current Illinois NAWGJ members who are mentors.
- Requirements: Mentors must help their mentees test up to level 9 or level 10 and ensure they have all necessary credentials.
- Amount: \$50 one-time stipend upon successful completion of both parts of the level 9 or level 10 test by the mentee

- New Judge benefits were reviewed.
- Education Stipend was reviewed and discussed.

Education Stipend

- Eligibility: Current Illinois NAWGJ members seeking further education.
- Requirements: Judges may practice judge up to two sessions per year/season for a \$50 stipend per session. (Max stipend \$100 per year/season). Must schedule with the meet referee at least 2 weeks in advance so the meet ref can obtain permission from the meet director. A signed verification form from the meet referee is required for reimbursement.
- Limitations: No travel expenses reimbursed, and no more than 4 educational judges may attend any one meet with meet director approval.
- Advantages: This will be particularly helpful to judges testing up who logically can't be assigned to sessions that include their new level

- New Judge books are available which have CPE forms and a sample guide on how to complete them
- For the 2026 season, all must re-test therefore there are no summer clinics planned. Does the membership want summer study groups? Any ideas, please email Christi at educationchristi@gmail.com
- An Education Package during “testing year” will be available for all IL-NAWGJ judges.
 - Available 1/1/26 - 10/31/26

- The Assignors gave an update.
- The Assignors reviewed the assigning protocols.
- Review protocols of what is an appropriate comment or request in the GYMJAS note section
- The ONLY person to contact if canceling is the meet assignor. It is not the responsibility of you as the judge to find a replacement.
- Judges should not contact the Meet Director : The “chain of command” at a meet is: Judge → Meet Referee → Meet Director.
